

Sapporo Kokusai Ski Resort

Measures to prevent the spread of COVID-19 infectious diseases New Hokkaido style security declaration

We are working on seven new Hokkaido style habits to prevent the spread of COVID-19.

Sapporo Kokusai Ski Resort Initiatives

Ensure that all staff wear masks and frequently wash their hands

Monitor the health condition of the staff

Regularly ventilate and air out your facility

Regularly sanitize and wash facility equipment

Ensure that all staff keep a safe distance

Call upon customers to follow proper cough etiquette and wash their hands

Proactively inform customers about your efforts

北海道スタイル
New Hokkaido Style,
Our New Normal

Request to customers

- We will carry out temperature measurement when you visit.
- We limit the number of passengers on the gondola.(Each family or 4 people)
- Please wear a mask inside the gondola and center house.
- Please implement a new lifestyle.

Wash your hands

Let's wear a mask

keep a safe distance

Avoid crowds

Do not overdo it when you have symptoms.
Home recuperation

We appreciate your understanding and cooperation
